RE: AWARD ANALYSIS

These contracts for our bid number 11.16.2021.475 (RFX - 3160004620), to provide professional reference laboratory services, are being recommended for award as a multiple vendor award to the two bidders that submitted the lowest and best bids as stated in the original IFB. All bids received were evaluated thoroughly for responsiveness of the bid and responsibility of the vendors. As allowed by OPSCR rules and regulations, bid award is being recommended to multiple vendors. Determination was made, by MSH staff, that the bids recommended for acceptance are competitive based on historical market pricing for the required services. The successful bidders also have a proven ability to perform required services based on historical references from other customers and MSH staff.
