RE: AWARD ANALYSIS

This contract for our bid number 02.16.2021.470 (RFX 3160004076), to provide professional hemodialysis services, is being recommended for award to the only bidder. The sole bid received was evaluated thoroughly for responsiveness of the bid and responsibility of the vendor. As required by OPSCR rules and regulations, bid award is recommended to the only bidder, with that bidder having been determined to be responsive to the bid invitation. Determination was made that the bid recommended for acceptance is competitive based on historical market pricing for the required services. The successful bidder also has a proven ability to perform required services based on historical references from other customers and/or MSH staff.
